August Golf Outing Canceled

I am writing to let you know that it is with heavy hearts that Jeff and I have decided to cancel the Julie A. Bryant Foundation Golf Outing, which was scheduled for August 25 at Pheasant Ridge Golf Club in Gibsonia. The decision to forego the outing was a difficult one, however, necessary. My current health struggles have made it impossible to devote the time and energy into making the event a success.

If you have already sent us a check – either as a registered golfer or sponsor – I am returning it to you with this letter. Please continue to keep the Foundation in mind as we hope to plan more events when the time is right. We feel blessed that so many people and organizations have supported our cause for so long.

The Julie A. Bryant Foundation will continue to help fill the needs of brain cancer patients and their families with existing funds. If you know someone who needs our help, please forward us their contact information or send them to our website at www.supportbeyondbraincancer.org.

The Foundation will continue to help brain cancer patients by providing funds for such items as canes and wheelchairs, hats and wigs, home health care items, babysitting, house cleaning services, food, transportation and gift cards.

Again, thank you for your support.

Sincerely,

Julie A. and Jeffrey Bryant
